## Supporting St George's with regular giving

St George's Chaplaincy is self-supporting and is only able to minister because of generous donations from members past and present, visitors and supporters.

We list on the church website various ways to support the Chaplaincy, here:

[www.stgeorgesmalaga.com/donate/](http://www.stgeorgesmalaga.com/donate/).

### *Regular Giving Scheme: "Count Me In!"*

To join the Scheme, click [here](#).

Our primary fund-raising goal is to make our community more sustainable by *growing our regular, planned giving*, so that a higher proportion of our fixed costs are covered

"Count Me In!" enables members to make a commitment to donate a regular sum of money for a period of time. There's no minimum or maximum sum.

Most members give monthly, by bank transfer. At the end of the year, they receive a certificate from the church so the sum given can be offset against tax.

*Many thanks for your generosity!*
